Chairman's Report to Council  
September 2016

Coconino County Sheriff's Office:

I the Vice-chairwoman Carmen Bradley and the Tribal Administrator Vincent Toya sat down with the Chief of Police for the BIA Hopi Agency Jamie Kootswatewa and BIA Officer Oliver Homer to open talks with Coconino County Sheriff's Department, Sheriff Bill Pribil, Chief Deputy Jim Driscoll, Lieutenant Bret Axlund , concerning entering into a mutual help MOU.

We began by discussing what it is that we the tribe were looking for, after some conversation with the Chief and Sheriff, it was agreed that at present it would be best served if we were to enter into a mutual help agreement MOU. Some of the topics were Peace Officer Certification, SLEC certification, the use of CVT's and extraditions.

Peace Officer Certifications are done by state statute and is recognized state wide, this was brought during talks about cross certification for both agencies along with the Special Law Enforcement Commission (SLEC) certification which allows for greater enforcement of federal law. In some instances it was noted that misdemeanors can fall thru jurisdictional holes, but this could be remedied thru the use of criminal violation tickets. In the end Sheriff Bill Pribil asked if we would inform the Mohave County Sheriff's Office of our desire to enter into this MOU with the CCSO as courtesy.

BIS SPA:

I and the Tribal Administrator had a meeting with the BIA SPA Superintendent James Williams. This covered topics from our general meeting, social services, technical assistance, understanding the super circular, 638 responsibilities, roads and radio service along with our CTGP.

Mr. Williams said that he plans on being here for the general meeting in Oct, but that it is dependent on whether or not congress appropriates the BIA budget or not.

On social services one of the first things covered is the fact that SPA does not have a social worker and as such we the tribe would still be doing the bulk of the work with SPA stopping by occasionally to sign off on needed paper work. On the issue of having our administrator be the line officer, this cannot happen while we have no social services worker, as the administrator acting as the social worker, he cannot sign off on his own recommendations and subsequent paper work. It is a recommendation of the superintendent to have our tribal court judge be our social services appellate hearing officer, handling all grievances, it was noted that social service issues should not ever be brought before tribal council as this is a violation of the clients confidentiality.

When the tribe does hire a social worker, it is recommended that they first read and understand 25CFR20 and 23 within the first week of hire, as this should help to answer many questions, also to be familiar with the super circular.

On the CTGP, our last installment modification has been approved and we should be receiving this shortly. On our 638 contract responsibilities, we covered the need to be familiar with what is exactly in the CFRs and any other publications, so that we are knowledgeable with what our complete picture and scope of work entails. This will also help our programs to maintain their delineated work parameters and not become a catch all.

On our roads, the Superintendent made the statement that Kaibab's total road inventory is only (7) seven miles of asphalt roads. The superintendent relayed that our back country dirt roads are tribal roads and not on the BIA roads inventory.

#### Mohave County Sheriff's Office:

I have been able to make contact with Mr. James Schoppmann, Deputy County Attorney for the Mohave County Sheriff's Office (MCSO). He is agreeable to entering into a MOU for Mutual Help. Mr. Schoppmann has relayed that the MCSO does no longer enters into cross commission agreements, I relayed that the tribe is not looking for this type of an agreement, this is a non-issue.

Mr. Schoppmann asked if we have a current MOU that he could use as a templet, I informed Mr. Schoppmann that our LES comes from the BIA LES out of the Hopi station, and that they have a current MOU that they will be forwarding to us to use with our request to enter into a MOU with the CCSO. Mr. Schoppmann relayed that he thought it was good that we could all work together cooperatively.

#### Tribal Court Assessments:

I went over to the court on the 23<sup>rd</sup> to meet with the team that is doing the assessment. I participated in their interview question process, this to give feed-back differing aspects of how our court works and how it responds to our communities concerns. They also wanted to know about how we relate to the court what our standard of justice is. I informed the assessment team that we use a multi-disciplinary team to advise and give ideas of what works best to help our community members get needed help. They asked if we had a wellness court and I informed them that we no longer use the wellness court.

#### Travel:

I have no plans for travel.

## **Wildlife, Fisheries & Parks Department**

Danny Bullets, Jr., Director

The Wildlife Department is waiting to start the Wildlife Water Catchment Improvement Grant we received from the BIA, we should be hiring a Tech, and hopefully we can get started soon.

If you travel the back road you need to watch out for Flooding, Muddy Areas, and sandy area, make sure the you tell someone where you are going and what time you will be back, take a shovel, water, cell phone, some food and flash light, if you get stuck don't leave the Vehicle.

Hunting Season will be here soon, so the Wildlife Department is again doing the Non-Lead Ammo free give away and the Gut Ply Raffle. Non-Lead Ammo will be given to all Tribal hunters, so that we can do our part in keeping the California condor safe. The Gut Ply Raffle even if you use Non-Lead bullet you can still participate in this, all you need to do is bring in you deer kills Guts and go the gate at the housing yard, open the red box trailer put your Guts in the Freezer and make sure you put your name in the book provided along with your phone number, Arizona Game & Fish will come and get rid of the guts and get the names off the book for the drawing, when chosen you will be contacted.

The first Tribal hunts start October 1 – November 13, 2016 you need to get a permit before going on to the mountain to hunt and you need to get a permit for every deer you harvest, remember if you are hunting for another tribal member you need a Certified Hunter Permit. This year Hunters will be cited for taking a deer without a permit per the Wildlife Ordinance.

**REMINDER TO ALL HUNTERS** – Moccasin Mountain from the horned gate to the tower will be closed for the last hunt December 8 – 31, 2016 this was the "Management Hunt Area" for the past two years. Any deer can be taken in all the other areas. (I.e. Farm Canyon, Moccasin Canyon, from the Farm to Blue Knoll, and anywhere else) any questions contacted the Wildlife Department.

The Elder Committee is selling raffle tickets for one Deer permit to raise money for the committee, so if you hear of someone wanting a hunting permit point them to the Elder committee, because all of our hunts are full, the contact person is Manuel Savala.

The Youth hunt is also coming up soon it will be October 21, 22, 23, 2016 at the Pavilion this will be the 3<sup>rd</sup> year, this will involve youth from all of the Southern Paiute Bands, it will involve camping out door for two nights, if anyone wants to get involved with this or have something cultural that they want to share with the youth, please contact the Wildlife Department, this will be voluntary we have no money to pay anyone to do this.

Any Questions you may have dealing with Wildlife please feel free to call me (643-8305), come see me at the office or Email at [dbulletsjr@kaibabpaiute-nsn.gov](mailto:dbulletsjr@kaibabpaiute-nsn.gov) .
